THE BABY FUND.

In this deliciously cool weather one has subject of the little creatures whom dis- treatment scores of years. ease holds in its embrace in the grimy walls and stifling air of the tenements. It is easier for the heart to warm with

the body is at a pleasant temperature. The contributions should be numerous and bestowed with more than the usual

ject, of course, to some modification, but as a rule essentially the same.

At any time and at all times, the state of the poor sick babies in the wretched dwellings of the toilers is one of insufficient nourishment, foul air. heatel and the last eight or ten years. Quaker bonnets, dirty surroundings, and pams which are but little alleviated by the attention and comforts which fall to the lot of more fortunnte infants. Their poor parents are too strongly

terrupted labor to be able to bestow the care upon the small sufferers which they to procure little delicacies or nourishing at once picturesque and comfortable. things for the sick babies. But if you contribute your share to the

Free Doctors' Baby Fund the cumulative load of misery pressing on these puny souls will be materially lightened. will secure for them experienced medical attendance and some comforts.

Cau you refuse to do this?

THERE WOULD BE A RACE.

The possibility of a race between Axtell and Sunol is enough to set every globule yourself. With a proper preparation of pills of horse-racing blood in the country beforehand, a prescription from your doctor tingling with anticipation. The interest and a little care as to what you est, the norbog laurels for them than ducats, would be immense.

Their drivers, Donne and Marvin,

click, click of their hoofs leating a there is nobody on board who needs him so drinking cup, and a tin shovel that would ordson. Vice President Norton, of the risht chant of ambition and hope, their much? drivers bent forward as taut as the strings juice and fresh ovsters? of a well-tuned violin, their faces as set as that of the Sphinx; and the sleek well have the heart to enjoy themselves? frames of the trotters one mass of straining energy !

A race between Axtell and Sunol would of it.

THE POSTMEN'S PAILURE.

of a strike.

The postmen who showed such a defiant front in London have been swept to the | P. T. BARNUM'S wall. Crowds of men were waiting to jump into any vacancies created on the mail-carrying force, and two hundred such vacancies were created by the prompt dismissal of striking parcel postmen.

Labor is going through a varied experience abroad and here at home. It is a seething caldron which bolis over now and then. What will the outcome be?

a poor human being had a grievance in his climate the citizen of the United States is that unfortunate. Nobody can say a man is not justified in groaning when one hundred degrees of Fahrenheit by forgiving him anything! are unloaded on him at one fell swoop. and even a Puritan would close his cars to a little profanity incidental to the heat

A new feature developed to-day, when a tour.

A mediow feminine voice, issuing from the prominent cutter told an Evening World

reporter that the promised lockout would not materialize.

"The boses say," he gleefully remarked, "that they will clore their shops to morrow evening and open them Monday merning only to non-Union men. They will require every cutter who applies for a job to sign a paper, stating that they are not members of any trade organization. That's an easy matter. Our man will sign anything for the bosses. They will sign their willingness to join Tammany Hall or the Mormons, but to actually do what they are asked is another.

this morning, reports that yesterday he prased an Luglish steamship with machinery disable i and steering northwest under sail.

Must be true. And the unanimous praise which people who have used it give Hood's Sarsaparilla about denvince those who have never tried this medicine of its great curative powers. If you suffer from impure blood, that tired fee ing, depressed aptrits, dyspepsis or kidney and liver complaints, give flood's baracardia a fair trial and you will be greatly benefited.
